201-2366 Main Mall, Vancouver, B.C. Canada, V6T 1Z4

EDUCATION

University of British Columbia

Ph.D. in Computer Science

September 2013 - Present

Vancouver, BC, Canada

I am broadly interested in Systems research with the focus on datacenter networking. Recently, I have been working on challenges of running Network Functions at datacenter scale. I am advised by Ivan Beschastnikh in the Networks, Systems, and Security laboratory.

Konkuk University

M.Sc. in Computer Science & Engineering

September 2008 - August 2010

Seoul, Republic of Korea

Tashkent University of Information Technologies

Bachelor in Information & Communication

September 2004 - June 2008

Tashkent, Uzbekistan

WORK EXPERIENCE

ZeroStack Inc.

MTS Intern, MTS Consulting Engineer

May 2015 - November 2016

Mountain View, CA, USA

Electronics and Telecommunications Research Institute

Member of Engineering Staff

September 2010 - July 2013

Daejeon, Republic of Korea

RESEARCH EXPERIENCE

Graduate Teaching and Research Assistant

Networks, Systems, and Security Lab

September 2013 - Present

University of British Columbia

Research Assistant

Embedded Computing Lab

September 2008 - August 2010

Konkuk University

Research Assistant

Department of Applied Mathematics and Informatics

March 2008 - May 2008

Moscow State University, Tashkent branch

Research Assistant

Department of Information Technologies

January 2007 - February 2008

Tashkent University of Information Technologies

TALKS AND PRESENTATIONS

VNF Chain Allocation and Management at Data Center Scale

August 23, 2019 at **MSRA** (Microsoft Research Asia), August 22, 2018 at **UWaterloo**; July 25, 2018 at **CMU**; July 23, 2018 at **ANCS'18**.

AWARDS & HONOURS

Four Year Doctoral Fellowship

for International PhD students

September 2014 - September 2019

by University of British Columbia, Canada

Korean Government IT Scholarship

for International Graduate Students

September 2008 - August 2010

by Institute for Information Technology Advancement, Korea

Runner-up for the Presidential Award

in Computer Science & Engineering

November 2007

by Ministry of Higher & Secondary Education, Uzbekistan
